Re: Ex Parte Submission in ET Docket No. 04-186

Dear Ms. Dortch:

Lectrosonics, Inc. is supplying another of our UDR700 wireless microphone systems for testing under Docket ET 04-186. This system complements two others previously furnished, covering a different frequency range. It is supplied with necessary accessories and operating instructions, but we stand ready to offer any assistance that may be required by the FCC Laboratory. Inquiries may be directed to me personally.

Respectfully submitted,
